## **TOWN OF LYMAN**

The Town understands there are residents who cannot move their cans for different reasons. For individuals who are unable to place their containers at curbside, please contact GFL at 864-269-1065 and they will assess these issues on a case-by-case basis for "back door service". All persons requesting the "back door service", will need to complete a form from GFL and provide a note from your doctor. The cost of "back door service" is \$37.00 per month at your expense. You will need to set up an individual account with GFL to arrange for this personal service.

**If your trash can is damaged, please contact Town Hall at 864-439-3453 and request that a replacement can be delivered. If your cart becomes damaged due to an incident within your home, such as fireworks, grease, spray paint, cleaning out a fireplace, etc., you will be charged \$35.00 to replace the can.**

**If you need a second trash can, you can contact GFL at 864-269-1065 to request the second can. The second can will be set up as an individual service and you will be billed directly at a discounted rate by GFL.**
